**RAPID TRANSIT** will call for its next month for construction of the first aerial portion of its line in Alameda County—through Albany. The 5,000 feet of structure will go from Garfield to the Albany-Berkeley line and is expected to cost between \$2 and \$3 million. Construction will begin in October and is to be completed in 1968.

**NEW CITY BUILDINGS** are now almost 30 per cent complete, Turner reports. It strikes as amazing that they've been able to squeeze so much building in what seemed like such a small piece of property.

**DON WHITE**, 23, son of Ed and Bernice White, who now live in El Cerrito, was injured and his car demolished in a strange four-car accident near Helena, Mont., recently. The accident was caused by a blinding dust storm. Don's passenger, Clifford Barrett, 22, of Rodeo was most seriously injured. Don and Cliff are smoke jumpers at Missoula, where Don will enter Montana State University School of Law this fall. Ed and Bernice have just returned after visiting Don.

**WELL, WE HAD ALBANY** day at the Fair in Pleasanton last Friday, but we certainly didn't see many Albany people there. It was fun spending the afternoon with Irene Grove, who is assistant manager of the Orange County Chamber of Commerce and formerly managed the Albany Chamber. John and Mary Welch did a beautiful job of rounding up the local folks and arranging a dinner at Castlewood Country club after the Salute to Albany.

## Adult Ed Courses Assist Those Vocationally Handicapped

We think of the vocationally handicapped as those having mental or physical disability . . . not so. The experts in the field of occupational guidance view the individual who is held down on his job, or away from doing a better job due to a lack of some aspect of training as also handicapped, vocationally speaking.

Often we do not move ahead as we lack some little ability or bit of polish that would permit us to function or appear with so much more to offer our occupational position. With what speed and accuracy do we handle figures in working with sales contracts or receipts? Do we appear with poise and confidence in our speech, and general mannerisms? What is the full impression that we make on a customer or how do we effect those with whom we work. All these are vital questions to the working adult.

The summer session of the Albany Adult Education Program offers a series of day and evening classes to assist the individual with his vocational future. Courses in speech, math, personal development, rapid reading, and creative writing are just a few in this area. For information concerning registration call Adult Education, 526-6441 days, or 525-7131 evenings. The summer sessions end August 23, so act now.

## Moose Lodge Will Meet at Masonic Temple in Future

Governor Gordon Fields announced at the last meeting of Albany Moose lodge 1972 that effective Aug. 1 the lodge will meet at Albany Masonic temple at 8 p.m. Wednesday nights.

Governor Fields also instructed Civic Affairs Chairman William Miller to begin planning a child safety campaign.

Also in the planning stage is a city officials-Moose softball game and picnic in Memorial Park on Labor Day. Arrangements are being handled by Sports Chairman Roy Wallace, Fire Chief Gerald Browne and Recreation Director Bud Rooney.

The Moose softball team met a crackerjack team from East Bay Chevrolet Wednesday evening. Arguments are still running hot and heavy as to who won.

The Moose boys meet Jim Woulfe Ford team at 6:30 p.m. tonight at Memorial Park.

June of 1965 was below June, 1964, when \$180,686 in permits were issued by the engineer's office.

Two permits for private garages totalling \$4,148; nine residence alterations, \$6,197; two commercial alterations, \$3,125; and 12 re-roofing jobs, \$4,692 were major items in building activity last month.

Total fees collected for the month were \$3,418.39, Turner said. The 1965 value of permits issued in the first six months is \$1,447,884, well ahead of the same period in 1964, when the total was \$553,113.80.

Due to a change in schedules, the Albany Senior Division (Little League) All-Star game will be played at 10:45 a.m. Saturday morning, July 24, at Sunset High School, in Hayward, on Diamond No. 1.

## Wednesday Was Animal Day at APD

Albany police were called out on three animal cases Wednesday, July 14.

In response to a call from Golden Gate Fields, they discovered a little dog which had apparently been locked in the grandstands three or four days. The frightened animal, partially blind, would not let officers get close and led them a merry chase until it was cornered, on the turf club deck. When a Humane Society man dropped the loop around its neck, the dog fell over.

Next call came from Metals Disintegration, where a long hair white cat (by then aluminum-colored) was an unwanted guest. This was followed by a report from Williams and Lane that a large black young dog was visiting without an invitation.

**ANTIQUE-CAR ENTHUSIASTS**

More than 30,000 antique-car admirers and collectors are registered in the hundreds of antique-automobile clubs throughout the United States, reports the National Automobile Club.

**TOP DAY**

Albany residents extended the three-day Fourth of July celebration into four days when they thronged to the Library July 6 to take out a record-breaking 719 books, the highest circulation in the Library's history.

**Mrs. R. J. Christgau** Booked by Seniors

Albany Senior Center announces that the second lecture of the current series will take place on Tuesday, July 27, at 1:30 p.m. at the Center building, 846 Masonic Avenue.

The speaker, Mrs. R. J. Christgau, who has just completed her term of office as president of the American Association of University Women, is the author of a book which will be published soon. There is no fee for this lecture and non-members are welcome to attend.

## Albany's First Dog Obedience Show July 25

Final preparations are being made for the presentation of Albany's first Outdoor Pet Obedience Show, co-sponsored by the Albany Recreation Department and the Berkeley-East Bay Humane Society, to be held Sunday, July 25, at the Albany University Village grounds.

The show committee, which includes Bud Rooney of the Albany Recreation Department, Carl

## Charles Lindh Honored at Bon Voyage Fete

At the conclusion of the regular meeting of Albany Post No. 292, American Legion, Friday evening, post members and the unit members of the auxiliary surprised the Post Adjutant, Charles A. Lindh, with a going away party. He is going to journey to the land of fjords and glaciers, the land of his nativity, Sweden.

Lindh has not seen his home land since early boyhood. He served in the U.S. Navy in World War I, and got to Germany during his service but says he could not get time off to visit his home. He is leaving Thursday, July 22, for the great adventure and has been boning up on the language of Sweden for the past six months.

Fredrick McCollum will hold Lindh's job as adjutant while he vacations.

Lindh has been adjutant for the past 12 years. He is also a past commander of Post 292, past Alameda County Council Commander and past Tenth District commander.

## Junior Golf Clinic Arranged by Tilden Pro Shop

Another Tony Lema, Arnold Palmer or Jack Nicklaus may not come out of it, but a Junior Clinic is being arranged by the Tilden Pro Shop to help youngsters develop their golfing talents.

Professional lessons and golf etiquette will be offered to youngsters, ages 10 to 18. Two professionals, Dud Garvey and Paul Kujawa of the Tilden Pro Shop, will give six one-hour lessons from 9 to 10 every Thursday morning at the Tilden Driving Range in Tilden Regional Park.

The deadline for registration to the Junior Clinic is Thursday, July 22. Fee for the six lessons is \$5. Youngsters should bring their own equipment.

A tournament for the novice golfers will follow at the conclusion of the lessons.

For further information call 845-8817.

## COUNCIL City Budget Adopted Next Monday

Following a series of almost nightly budget hearings, Albany City Council is expected to adopt its 1965-66 budget during the regular session next Monday night.

In a 30-minute meeting Monday, Council voted to follow the recommendation of the Traffic and Safety commission and make permanent the parking arrangements which have been tested in the 800 block of Kains. On April 12, Council voted a 30-day trial period to leave seven one-hour parking places north of Solano, add six two-hour zones to the northern limit of the Albany Theatre parking lot and leave the balance of the block unrestricted parking. The arrangement has worked out satisfactorily, Administrative Officer James B. Turner told Councilmen.

Council set 8 p.m. Thursday, July 29, for a special Council meeting with City Attorney Larry Saler and Police Chief Ralph Jensen to discuss the Lucky 13 operation. The meeting will be open to the public because Saler ruled that a closed-door session would be in violation of the Brown Act. Attorneys for the owners of the club and the owners themselves will be advised of the meeting.

A letter from Edward L. Bennett, 2719 Marin, expressing opposition to filling in 28 acres of the bay for additional parking for Golden Gate Fields was filed. Councilman Richard Clark said the fill will be an addition east and north of the present fill and would not destroy the aesthetic beauty of the bay.

Also filed was a communication from Gloria Kennedy of Berkeley complaining of prices at the Lucky 13.

It was announced that Clark, Turner and Mayor Lewis Howell will attend a meeting in San Mateo July 22 concerning a coordinated Bay Area plan for sewage treatment and disposal.

The Fire Department was authorized to hire four part-time employees (minimum age, 15) at \$2 per hour to help with weed-burning the latter part of this month.

Another payment of \$10,000 was approved for Murphy Pacific company following completion of work repairing the Buchanan overpass.

The meeting was adjourned in memory of Adlai E. Stevenson.

## IOOF Meets Here Friday

Fountain Lodge No. 593, Independent Order of Odd Fellows, will hold its monthly dinner on Friday, July 23, at 7 p.m. in the Macabees' Hall, 985 Kains Ave., Albany.

In the absence of "Chef" George Porter on vacation, Mike Dietrich, his stand-in, will prepare and serve the meal.

An invitation is extended to all East Bay Odd Fellows. The regular lodge meeting will be convened at 8 p.m. by Vice Grand Dr. Claude A. Porter, who will report on his recent travels thru the Midwest and the Pacific Northwest.

On Monday, July 12, a group of the members journeyed to Rodeo to pay a fraternal visitation to Rodeo Lodge 196.

## Batteries Charged; Fords, Chevs Will Run

Jack Labadie of East Bay Chevrolet and Jim Woulfe of the Fort agency bearing his name have challenged each other to a softball game July 25 (Sunday) at Albany Park.

Woulfe is offering odds that the Ford boys run away with the game. The Chevrolet fellows are already revving their motors hoping for an upset.

Both firms have recruited teams from service and sales departments and promise a good game. (P.S., they would love an audience.)

## \$5,500 Damage in Monday Fire

Two trucks and 14 Albany firemen fought a roof fire at the Jack McKenna residence at 636 San Gabriel about 12:30 Monday noon. Seven off-shift men were called in to battle the blaze, which did an estimated \$3,500 damage to the building and \$2,000 to contents, mostly items stored in the attic.

Firemen believe burning embers from the fireplace ignited the shingle roof. The family, they said, had sold the house and was preparing to move.

Also burned were contents of an upstairs bedroom closet. There was considerable smoke damage, but a minimum of water damage, firemen reported.

Crews spent about two hours fighting the fire and mopping up.

## Where's The Fire?

July 13, rubbish fire, 805 San Pablo, extinguished fire in waste basket, used blower to clear smoke.

July 13, false alarm, Cornell school (two calls caused by mechanical failure to alarm system).

July 13, overheated ballast, 904 Stannage, Dr. Fred Dossce advised to call electrician.

July 15, lockout, 1029 Nielson, Mrs. Westbrook, entry gained.

July 16, lockout, 605F San Pablo, Gladys McKee, entry gained.

July 17, car fire, 1031 San Pablo, extinguished on arrival, disconnected battery.

July 18, reported house fire, 896 Riley Dr., John Gandolfo, smoke caused by melted pot on stove, smoke ejector used.

July 18, inhalator, 401 Stannage, Gerald Teach, 11 months, oxygen administered.

# Couple at Home Here Following Hawaiian Trip

Honolulu, Hawaii was honey-moon choice of Mr. and Mrs. Fred Parle, (Jeanne Louise Fisher), who returned to make their home in Albany. The newlyweds greeted 300 friends and relatives at a reception in a Berkeley restaurant, including her aunt, Minnie Brandenburg, who came from Philadelphia, Pa., for the nuptials in Berkeley's Northbrae Community Church.

Mr. and Mrs. Eugene Fisher of Madison street in Albany are parents of the bride, who was escorted to the white floral decked altar by her father. Mr. and Mrs. Robert Pridemore of Fairview Drive, El Cerrito are parents of the groom. Eddie Mella sang the "Hawaiian Wedding Song" and the Rev. L. L. Cross officiated in the afternoon ceremony.

An arrangement of white roses and stephanotis with orchid corsage was Jeanne's bridal bouquet.

A rose and pearl headdress secured her fingertip veil. The bride's floor length gown of silk organza and Alencon lace over taffeta was styled with empire line skirt, detachable chapel train, fitted long sleeved lace bodice and scoop neckline.

Pale pink georgette over crepe with scoop neckline, long chiffon sleeves and bow accented detachable train was the gown worn by maid of honor Toni Luana Fisher, the bride's sister. She carried a light pink lei and her headdress was a light pink veil with three roses. Deep pink gowns in the same pattern, matching veils topped by single roses, and deep pink leis to carry were chosen for bridesmaids Lynn Cooper,

Nikki Marinovich, Sally Plub, Susan Gorr, Susan Hughes and Pam Butler.

Paul Armstrong stood as best man. Ushering duties were shared by David Wedoski, Gary Pridemore, Gordon McBeth, Dan Holmes, David West and Douglas Fisher.

For her daughter's wedding, Mrs. Fisher donned a vibrant pink crepe tulle styled sheath with matching accessories. Mrs. Pridemore added white accessories to her light blue satin dress, which had panel back interest. The bride's going-away costume was a navy blue and white linen suit with red accessories.

Mr. and Mrs. Parle are employed in Berkeley. Mrs. Parle

graduated from Albany High school in 1964. Her husband graduated from El Cerrito High school in 1962; attended Contra Costa College; and served two years in the United States Army.

## Brush Up Courses In Adult Ed

Let's face it. Who among us can in all honesty say that as time away from school has slipped by we have no difficulty in speaking before a group or adequately expressing ourselves with our written language?

In planning for educational needs, the Albany Adult Education Program has included among the courses for the summer session a Basic English course which permits the student to brush up on grammar, punctuation, vocabulary, and various types of writing. This class meets Monday and Wednesday evening 7-10 p.m.

Also as part of this planning is the course Effective Speech, given Monday evening 7-10 p.m. for both beginners and those who wish to brush up, and acquire a new self confidence and poise.

If math has slipped by, the school offers three classes, Basic, Intermediate, Modern and Algebra at Albany High school. Classes open to adults and teenagers living in and out of Albany.

For additional information, please call the Adult Education office, 526-6441, 8:30 a.m. to 5 p.m. weekdays.

## Pernell Roberts Star of Melodyland Play

Pernell Roberts, probably best known as Adam Cartwright in NBC's TV series "Bonanza," is playing King Arthur in "Camelot" at Ben Kapen's Melodyland, which opened last night.

This may come as somewhat of a surprise to Roberts' millions of fans, but the switch in costumes from western to kingly robes will not be a new experience for the versatile star.

A stage veteran, strongly steeped in the classics as well as modern plays Roberts won the Drama Desk Award for Best Actor Off-Broadway as far back as 1955 for his performances in "Macbeth," "Romeo and Juliet," "Henry IV" and "Othello."

Broadway saw him in "Tonight in Samarkand," "The Lovers" with Joanne Woodward, and "The Clearing in the Woods" with Kim Stanley.

Between his Broadway appearances he appeared at the Shakespeare Festival in Stratford, Connecticut. At the Phoenix Theatre Shakespeare Festival he appeared in "Taming of the Shrew" and "The Duchess of Malfi" with Nina Foch.

He came to Hollywood and stayed when Paramount signed him for "Desire Under the Elms" in 1957. His film credits include MGM's "Ride Lonesome" and his TV credits include NBC's "Matinee Theatre," "Shirley Temple Storybook" (four), "Cimarron City," and "Gunsmoke."

"Camelot" will be the third show in the 1965 Melodyland season.

**RECORD SIGNUP**

# Boating, Sailing Rules Offered by Red Cross

Since boating and sailing are becoming an important part of Bay Area activities, Dal Sanders, director of Safety Services for the Berkeley Red Cross chapter, offers eight summer suggestions for owners, operators and passengers of small boats.

1. Be sure that weak or non-swimmers wear life jackets.
2. Whether your boat is powered by sail, outboard or inboard motor, equip it with such safety equipment as a life jacket for every passenger, anchor, oars, boat hook, extra line, fire extinguisher, tool kit, and first aid kit. Running lights are a "must" for

- operation at night.
3. Don't overload. Keep passengers down to a safe number.
4. Don't overpower the boat. Your dealer can tell you the safe size of motor for it.
5. Check U.S. Weather Bureau forecasts before taking boat on open water. If you're going far, take a transistor radio along to keep you posted on the weather.
6. Don't smoke while refueling.
7. If you're caught in a severe storm, it would be advisable for everyone to wear life jackets.
8. Stay with your boat if it capsizes—it will usually float even though filled with water. Excep-

**INJURY ACCIDENT**  
Albany police report that Robert Golden, 23, of 1043 Peralta was cited for exceeding basic speed laws July 13, when his motorcycle slid into the curb, jumped the curb, ran into a telephone guy wire, slid off it and landed against the porch steps at 700 Washington. Golden suffered abrasions below the left knee and a skinned right arm. His passenger, Alden Dale Stuart, 20, of 903 Jackson, received a painful injury to his right leg, was taken to Herrick hospital.

**BOYS' TRIP TO GOLD MINING COUNTRY IS SET**  
This is the last opportunity to sign your boy up for a unique travel experience to the gold mining regions of California and Nevada. The group will be taken over 700 miles on a tour of such places as the Anaconda Mine, Sutter's Mine, Hangtown, old time museums, ghost towns and other exciting historical areas. From Aug. 16 to 21 boys from the third through sixth grades may have fun while learning the history of the once rich mining towns of Central California-Sierra Nevada mountains. The expedition will camp in state parks and travel under competent YMCA adult counselors. Caravan Club membership is open to YMCA members and to non-members. Preference will be given to boys in the 5th and 6th grades, although 3rd and 4th grades may register. Boys will have the opportunity of learning camping skills in addition to history. Group responsibility will be fostered by such activities as helping to set up the camps, helping in preparation of meals and in clean-up. For additional information contact the Berkeley YMCA's Youth

**FROM CAMBRIA**  
Recent visitors at the home of Police Chief and Mrs. Ralph Jensen were Mrs. Jensen's parents, the Darryl Sutherlands, and Mr. and Mrs. Norm Mewha, all of Cambria. They enjoyed a cruise on the bay to Marin county and a weekend at the Jensen cabin at Clear Lake.

**OUT OF THE COVERS**  
(Jottings from the Librarian's Desk)  
Although Bellow's *HERZOG* and James Michener's survey of world history, *THE SOURCE*, are still topping reserve lists at the Albany Library, several new contenders are challenging the champions. *INTERN*, a day-by-day record of service in a large hospital, by Dr. X, and *IS PARIS BURNING* by Leroy Collins are major non-fiction contenders. Come to think of it, fiction is uncomfortably close to truth in *THE GREEN BERET'S*, stories about the activities of the United States Special Service in Vietnam, by Robin Moore, who has been accused of being too authentic. Another novel out of the headlines in D. J. Spencer's *H. JING AFFAIR*. This is set in Taiwan and concerns the efforts of an exiled Chinese general to regain control of the mainland. For sheer fun the Library staff recommends Michael Kenyon's *MAY YOU DIE IN IRELAND*, a joyous jaunt into international intrigue. Also on the light-hearted side is Paul Gallico's *MRS. ARRIS GOES TO PARLAMENT*.

## Churches

**Albany Community Methodist Church**, 980 Stannage at Marin Ave., Sunday, July 25: The Rev. Carl Williamson, recently from Sacramento, now resides in this parsonage, 1331 Marin Ave., Albany. His residence phone is 52-7312. During the 11 a.m. worship service, he will bring a sermon: "Are Ye My Disciples?", from Matthew 16:24-25. He will point out that: (a) a disciple repents of sin, (b) a disciple forgives (c) a disciple has faith, (d) a disciple experiences the Presence (e) a disciple receives the gift of the Holy Spirit. Come an worship with us!

**St. Alban's Episcopal Church**, Albany, July 25: 8 a.m., Holy Communion and sermon; 10 a.m., summer combined service for adults and children. Morning prayer and sermon. After a talk for older children they will be excused to view motion picture Nursery care. Guest priest is the Rev. William J. Lunny, Rector of St. John's Anglican Church in Canada, Courtenay, Vancouver Island, Canada. Rector is the Rev. John H. Blackledge.

**Christian Science**: "Lead me in thy truth, and teach me: for thou art the God of my salvation on thee do I wait all the day." This supplication from Psalm will begin this Sunday's Bible lesson at all Christian Science churches. The subject of "Truth" will be explored with particular emphasis on the teachings of Christ Jesus.

In addition to selections from the Bible, there will be reading from the Christian Science text book. This passage will be included: "Christianity as Jesus taught it was not a creed, nor system of ceremonies, nor a special gift from a ritualistic Jehovah; but it was the demonstration of divine Love casting out error and healing the sick, not merely in the name of Christ, but Truth, but in demonstration of Truth, as must be the case in the cycles of divine light" (Science and Health with Key to the Scriptures by Mary Baker Eddy p. 135).

The Christian Science Society of Albany is meeting at the church edifice, 1358 Marin Ave. Sunday morning services are at 11 a.m. and the Wednesday evening meetings are held at 8 p.m. The Sunday School convenes every Sunday morning at 11 a.m. Everyone is cordially invited to come to the Sunday morning services and the Wednesday evening meetings, and all children are invited to come to the Sunday School, where they can learn more about God and His love for man.

**Grace Lutheran**: In next Sunday's duplicate services at 8:15 and 11 a.m. at Grace Lutheran Church, Santa Fe and Ward Ave. El Cerrito, Rev. O. R. Janke will be observing a minor church festival of the Apostle St. James the Elder, by speaking on "Form ula for True Greatness." Sunday School, youth and adult Bible classes, 9:30 a.m. Nursery classes during the 11 a.m. service.

**Open Theater, Gallery To Open in September**

Open Theater and Gallery will open the first Bay Area complex for presentation and study of new art forms and trends this September at 2976-78 College Avenue in Berkeley, sponsored by the Berkeley Experimental Arts Foundation.

This large group of local artists, actors, directors, musician, film-makers, engineers and other working in the plastic and performing arts have produced several original works in San Francisco and the Bay Area during the past year.

Other artists and playwrights are invited to submit film, theatrical, and gallery pieces to Open Theater and Gallery. Further information may be obtained from Ben Jacopetti, Theatre Director at 541-5071, Berkeley.

**Never Too Late To Obtain Diploma**  
According to recent studies by the California Department of Labor, the average adult worker in the state changes his way of making a living five times during his working years. This trend plus the fact that more and more employers insist on at least the high school diploma for their applicants, points up the real need of those adult members of the community who have postponed this obligation to face facts and do something about it.  
Albany Adult Education Program is offering a summer program with classes located at Albany High School, 603 E. Route Blvd., directly aimed toward obtaining the high school diploma. Students may take classes during the day and also during the evening. Counseling is available, and part of this service is to locate all previous school records, evaluate work experience, and determine how much further the student has to go in order to complete the requirements.
